

New Energy Storage Group

3 days ago · Recently, multiple new energy storage projects across China have reached important milestones. In Shandong, Xinjiang, Hebei, ...

May 8, 2024 · Join Kiwa PVEL and Exawatt/CRU for an insightful webinar where we explore the latest insights from our Energy Storage Technology and Cost (ESTAC) and Solar Technology ...

With core competitive advantages such as superior battery technology and optimized system integration technology, the Company can provide one ...

Jun 18, 2025 · The global energy storage market is poised to hit new heights yet again in 2025. Despite policy changes and uncertainty in the world's two largest markets, the US and China, ...

Nov 17, 2025 · Technology group Wärtsilä; has successfully completed three major fire safety and explosion tests for its battery energy storage system, Quantum3. The rigorous testing program ...

Jan 13, 2023 · We are confident that the energy storage industry will have a bright future. As China further promotes the energy transformation, integration of renewable energy to the ...

Mar 16, 2021 · Global research in the new energy field is in a period of accelerated growth, with solar energy, energy storage and hydrogen energy receiving extensive attention from the ...

Nov 20, 2025 · Energy-Storage.news Premium speaks with Michael Kirschner, Managing Director, US, for Habitat Energy, about optimising ...

2 days ago · Megapack is an electrochemical energy storage device that uses lithium batteries, a dominant technical route in the new-type energy storage industry. Tesla's vice-president Tao ...

April 12, the National Energy Board issued "on the promotion of new energy storage grid and scheduling the use of notice";, the document requires an accurate grasp of the new energy ...

Nov 19, 2025 · German energy company LEAG has partnered with China's HyperStrong to deploy a 400 MW/1.6 GWh battery energy storage project in Germany. Under the engineering, ...

Nov 13, 2025 · Workers match up cells at the production line of Chongqing Haichen Energy Storage Technology Co Ltd in Chongqing on Sept 27. [Photo/Xinhua] China's energy storage ...

New Energy Storage Group

Nov 20, 2025 · Energy-Storage.news Premium speaks with Michael Kirschner, Managing Director, US, for Habitat Energy, about optimising BESS projects in ERCOT.

Apr 15, 2025 · A battery storage installation at Boston Medical Center demonstrates how hospitals can integrate energy storage into an ...

Apr 1, 2025 · This marks the first domestic shared storage demonstration project to integrate four types of new energy storage technologies--lithium iron phosphate, sodium-ion, vanadium ...

May 17, 2023 · At present, China has become the main supplier of energy storage batteries in the world, and Chinese companies have become the ...
